RE: Notice of Public Meeting  
Comal and Guadalupe Counties  
FM 1103: From IH 35 to Rodeo Way  
Control: 1268-01-013

Dear Mr. Herrerra,

This is to notify you that the Texas Department of Transportation will hold a public meeting to present the proposed improvements on Farm to Market (FM) 1103 from IH 35 to Rodeo Way. The proposed project would upgrade FM 1103 from a two-lane roadway to a four-lane roadway with a continuous center turn lane. The proposed improvements would also include sidewalks. In order to accommodate the additional pavement width and sidewalks, new right of way would be acquired.

The purpose of this meeting is to gather public input on the proposed project. During the public meeting, displays, including proposed roadway improvements and other project information, will be available for viewing. The project team will be available to answer questions. You are cordially invited to attend this public meeting, which will be held as follows:

**Tuesday, March 29, 2016**  
**Barbara C. Jordan Intermediate School**  
**515 Thistle Creek Drive**  
**Cibolo, TX 78217**  
**5:00 p.m. – 7:00 p.m. - Open House Format**

A formal presentation will not be given during the open house meeting so you can come and go at your convenience. If you need additional information on the project or the open house, please contact Clayton Ripps, P.E., TxDOT San Antonio District, at (210) 615-6076.
